

Slim Color Folio Case with Bluetooth Keyboard

For iPad 2 & 3rd Generation

Carry and protect your iPad while giving you
functionality and convenience

Slim Color Folio Case with Bluetooth Keyboard for iPad 2 & 3rd Generation

Overview:

The Aluratek Slim Color Folio Case with Bluetooth Keyboard for iPad* 2, & 3rd Generation is the perfect solution to carry and protect your iPad while giving you functionality and convenience. This elegant case slips easily over your iPad and allows access to all your iPad's ports. The case has a magnetic clasp so your iPad is held securely in place. You will enjoy the high quality and feel while having comfort in knowing your iPad is protected.

The case includes an attached wireless Bluetooth keyboard so you can transform your iPad into your own personal laptop. The Slim Case transforms into a handy and stable stand with multi-angle viewing, so you can read and view your iPad comfortably.

The case is covered with a rubberized texture for non-slip grip and rugged durability.

Features:

- Light weight & slim design makes this the perfect travel companion
- Built-in keyboard for maximum comfort and portability
- Features Bluetooth v3.0 for superior wireless performance
- Compatible with iPad 2 & 3rd generation
- Soft touch with quiet keystrokes
- Skid free rubberized surface
- Built-in rechargeable lithium-ion battery
- Collapsible back stand enables you to hold your iPad upright
- High quality functional design with rugged protection
- Limited 1 Year Warranty
